

Earned Value Management

www.acq.osd.mil/pm

Sponsored by the Office of the Under Secretary of Defense (Acquisition, Technology, and Logistics) Acquisition Resources and Analysis/Acquisition Management, the Earned Value Management Web site provides information on earned value project management (EVM) for government, industry, and academic users. Find current editions of policy documents, information on government EVM contacts and International Performance Management Council members, speeches, training material, EVM software, supplier links, frequently asked questions, and more.

Project Management Institute

www.pmi.org

The Project Management Institute (PMI) claims to be the world's leading not-for-profit project management professional association, with more than 86,000 members worldwide. PMI establishes project management standards, provides seminars, educational programs, and professional certification for project leaders.

Defense Contract Management Agency

www.dcmamail

The Defense Contract Management Agency is the Department of Defense contract manager, responsible for ensuring federal acquisition programs, supplies, and services are delivered on time, within cost, and meet performance requirements. The agency is currently conducting in-plant observations using the Capability Maturity Model® to deploy a standard methodology via continuous process evaluations of contractors. Details concerning the process, responsibilities, and outcomes are captured in the "Method Description Document" available on the Web site.

Software Technology Support Center

www.stsc.hill.af.mil

The Software Technology Support Center (STSC) is an Air Force organization established to help other U.S. government organizations identify, evaluate, and adopt technologies to improve the quality of their software products, efficiency in producing them, and their ability to accurately predict the cost and schedule of their delivery.
