

## 2003 U.S. Government's Top 5 Quality Software Projects

The Department of Defense and **CROSSTALK** will begin accepting nominations for the 2003 U.S. Government's Top 5 Quality Software Projects after July 1. Outstanding performance of software teams will be recognized and best practices promoted.

These prestigious awards are sponsored by the Office of the Under Secretary of Defense for Acquisition, Technology and Logistics, and are aimed at honoring the best of our government software capabilities and recognizing excellence in software acquisition and development.

The deadline for the 2003 nominations is December 5, 2003. You can review the nomination and selection process, scoring criteria, and nomination criteria by visiting our Web site after July 1. Then, using the nomination form, submit your project for consideration for this prominent award.

**ENTER ON OUR WEB SITE AFTER JULY 1**
